

## **Registration for the Alberta Organ and Tissue Donation Registry**

You can help save a life or make life better for many people by registering to be an Organ Tissue donor. Signing up as donor can be done easily at our office by choosing one of the following donation options:

### **OPTION 1**

- I choose to donate all my organs and tissues for (check all that apply):
  - Transplant
  - Scientific Research
  - Medical Education

OR

### **OPTION 2**

- I choose to donate only these organs and/or tissues (check all that apply):
  - Heart       Small Bowel       Eyes       Kidneys       Stomach
  - Heart Valves       Liver       Bone       Skin       Lungs
  - Pancreas       Connective Tissue       Vascular Tissue

To be used in (Check all that apply):

- Transplant
- Scientific Research
- Medical Education

OR

### **OPTION 3**

- I choose to donate my whole body for medical education and scientific research.

FAST - FRIENDLY - KNOWLEDGEABLE

**(780) 435-7800**

Unit #1, 9109-39 avenue  
Edmonton, Alberta  
T6E 5Y2

Once you have choose one of the following options, the clerk will enter the information and the donor symbol will appear on your driver's licence.

After becoming a donor it is important to discuss your decision with family and friends. They need to know you want to be a donor, and talking with them will help them respect your choice when the time comes.

For more information regarding organ tissue, visit the website [MyHealth.Alberta.ca](https://myhealth.alberta.ca) or call 310-0000 followed by 780-422-9657.
